

State of Rhode Island and Providence Plantations
DEPARTMENT OF HEALTH
CENTER FOR HEALTHY HOMES & ENVIRONMENT – RADON PROGRAM
RADON TESTING BUSINESS CERTIFICATION

Pursuant to the Radon Control Act, Chapter 24.5 of Title 23 of the General Laws of Rhode Island and Regulation 216-RICR-50-15-2 – Radon Control, this Certificate is hereby issued and designated below. This Certificate is subject to all applicable rules, regulations, orders and notices of the Department of Health now or hereafter in effect and to any conditions delineated below.

Certificate Holder: ACCUSTAR LABS
Address: 6951 ALLENTOWN BLVD
SUITE N
HARRISBURG PA 17112

Certificate Number: RTB00101
Expiration Date: 06/30/2022
Type of Certification: Radon Testing Business

Radon Measurement Services Authorized: Charcoal Adsorption

This Certificate Holder shall maintain the services of a certified radon inspector and ensure that all radon and radon progeny testing, including the placement and retrieval of all testing devices, is performed by certified radon inspectors. Only those testing methods (devices) which have been determined to be acceptable by the EPA under the National Radon Measurement Proficiency Program and by the Department shall be acceptable for determining compliance with 216-RICR-50-15-2.

Except as specifically provided otherwise in this Certificate, Certificate Holders shall conduct their program in accordance with statements, procedures and representations contained in their application, including any attachments. Regulation 216-RICR-50-15-2 – Radon Control shall govern unless the statements, representations and procedures in the Certificate Holder's application and documentation are more restrictive than the regulations.
